Your Responsibility When Using this Site

We strive mightily to provide useful and accurate information to help visitors and clients with their plastic sourcing needs. However, CPTechnologies, Inc. makes no claim that all information on this site is up to date. It is your responsibility to make sure that anything you read here is accurate, up-to-date and applies to your specific needs.

CPTechnologies' Copyright Policy for Site Content

Injection-molding.net provides the information on this site to be read by anyone, but retains the copyright on all text and graphics. To use this information in any other way, you must strictly follow these guidelines.

Use by Individuals

As long as it is for your own personal use only, you may print copies of this information, store the files on your computer, and use hypertext links to reference the information. Any other use or redistribution is strictly prohibited.

Licensing and Reprint Rights

Please contact us to learn how to license or reprint any of the information on this site (for example, as part of an article, book or pamphlet).

Framing of the injection-molding.net site by another site is prohibited.

We reserve the right to change the terms of and/or withdraw this permission at any time and for any reason
